London Trip

Following on from very successful partnership working with Caledonia University a small group of children and students will visit London for 2 days in early December. Our visit includes visiting 3 computer game companies, a trip on the London Eye, a West End show and a visit to the Houses of Parliament. It will be very tiring but I'm sure the memories will last forever. Photographs to follow in our next newsletter. We would like to thank Celtic Charity Foundation for funding this trip.

Dress Down Friday

Dress Down day will be on 28 November and we ask that children wear something tartan, if possible. All classes have been learning about Scotland this term and we will have a big celebration that day as it is close to St Andrew's Day. Children are asked to bring 50p with them.

Animation Group

Mrs Ratcliffe and a very talented group of P6 children have been working hard to produce an animation for a competition. The group will go off to the Science Centre on 9 December to see their film on the huge IMAX screen. We have fingers and toes crossed for our first Oscar. The group would like to thank Jamie our janitor for all his help and encouragement.

Remembrance Day

A group of P7 children represented the school at the annual Remembrance Day Service at Bridgeton Cross. Callum Pollock read a verse of Flanders Fields—not easy in front of such a large crowd. Well done Callum.

P6 and P7 held an assembly about World War 1 just before 11.00 and then the whole school participated in the 2 minute silence.

We had hoped to have our memorial garden finished but there is still some work to do before we can officially open it. On 11 November some children planted a rowan tree and others put in poppies with special memories.

Christmas

All the Christmas dates are on the back of this sheet to keep you fully informed of what's happening in the school.

Please remember that Christmas lunch will be available on Friday 12 December in the lunch hall.

Tickets for the nativity will be available soon from the school office. Please keep checking your child's school bag.

Please note that in the interests of fire safety prams cannot be brought into the hall on the day of the Nativity. If brought, prams will have to be left in the pram shelter or outside.

Entrance to the hall will only be from the back of the school—through the back of the gym hall.
